Have you always used the branch or other bank's ATMs to do certain transactions?

The following tips will assist you in banking faster and cheaper at your own convenience:

- / Use Internet or Cellphone Banking as more cost effective ways to perform most of the transactions you do in the branch.
- / Recharge prepaid airtime using Internet or Cellphone Banking.
- / Open your Savings and Investments account using Internet Banking.
- / In order to avoid paying the new cheque deposit fee, rather try to have deposits paid electronically into your account.
- / Draw cash at a Standard Bank ATM if you are not already doing so – and remember to always use Standard Bank ATMs to avoid paying additional fees for using other bank's ATMs.

Make an active decision to start practicing good banking behaviour:

- / Avoid administration fees by ensuring that there is always sufficient money to cover any expenses coming off your account.
- / You can carefully monitor the funds in your account by obtaining your account balance as often as you need on Cellphone/Internet Banking. Remember, Cellphone/Internet Banking balance enquiries are free.
