Have you always used the branch or other bank's ATMs to do certain transactions?

The following tips will assist you in banking faster and cheaper – at your own convenience:

- Use Business or Enterprise Online as more cost effective ways to perform most of the transactions.
- Make frequent use of digital platforms i.e. Point of Sale (POS) or PayPulse for cash management.
- For all fleet management needs, make use of BlueFuel.
- Open your Savings and Investments account using Internet Banking.
- Draw cash at a Standard Bank ATM if you are not already doing so – and remember to always use Standard Bank ATMs to avoid paying additional fees for using other bank's ATMs.

Make an active decision to start practicing good banking behaviour:

- Avoid administration fees by ensuring that there is always sufficient money to cover any expenses coming off your account.
- You can carefully monitor the funds in your account by obtaining your account balance as often as you need on Cellphone/Internet Banking.
