

Simplify Personal and Business Finances with PayPulse

At Standard Bank, we are driven by our purpose—Namibia is our home, we drive her growth. This commitment leads us to create solutions that reshape how we do business, empowering our customers to scale new heights and transform their operations. PayPulse is a prime example of how we bring this to life.

We believe that embracing technologies like PayPulse can create a more inclusive financial landscape, enabling everyone to participate in the economy and reap the benefits. This is how we drive growth, empower our people and build a stronger Namibia.

We are excited to announce the launch of our PayPulse Informal Market Campaign, which encourages informal market vendors and small business owners to adopt PayPulse in their daily operations. As part of this campaign, we are running a promotion: by signing up and using PayPulse to conduct transactions—such as receiving payments, buying stock, paying salaries and bills, or purchasing electricity—you stand a chance to win a container for your business.

The competition is open to all informal vendors, Standard Bank clients and non-Standard Bank clients using PayPulse until **30 June 2025**. The informal vendor with the most transactions during this period (tracked monthly) stands a chance to win the container. The winner will be announced in **July 2025**. Participants will also be automatically entered into a draw for a chance to win **monthly hampers**.

Who Can Use PayPulse?

PayPulse is designed to serve everyone in Namibia, whether you have a bank account or not. It is accessible to anyone with a registered cellphone number, regardless of the mobile network. It offers convenience, safety and accessibility in the palm of your hand.

With PayPulse, you can conduct secure transactions instantly from your mobile device. Say goodbye to handling cash and the worries of theft. You can track your balance, review transaction history and manage your finances—all in one place.

PayPulse Features:

Link Three Cards: Link up to three debit or credit cards from any bank.
