## HERE ARE SOME KEY TIPS TO ENSURE YOU MAXIMISE THE BENEFITS OF YOUR LOUNGE ACCESS:

- Access to the Lounge is Digital: Generate a QR code for paperless, contactless lounge access.

- Plan your Flight Itinerary: Find and View details of your nearest lounge before your departure.

- Access a global network of lounges. Your lounge access benefit is wider than a single airline or airport. You can enjoy this privilege at a wide network of lounges across various airports globally.

- View your lounge visit history and instantly generate receipts to simplify your expense claims.

- Get the latest travel information at your fingertips, including up-to-date entry requirements and restrictions.

The **Standard Bank Mastercard Credit Card** gives you access to two free visits annually. Your benefits will be displayed within the APP. Once you have depleted the benefit, you will not be restricted access to your preferred **DragonPass Lounge**; an amount of USD 32 will be charged to your **Credit Card**.

Visit the **Mastercard Travel Pass** website to search for participating airports to view lounges, dining offers, and so much more, or alternatively, contact your **Private Bank Relationship Manager** for further assistance.

Enjoy your airport experience with **DragonPass** and **Standard Bank Mastercard**.
