

Standard Bank
Business & Commercial

Renewable Energy Financing Solutions

In a shifting economic landscape, energy independence has become a necessary strategic advantage. Standard Bank Namibia enables your business to adopt solar technology through flexible, asset-based financing.

WE WILL ASSESS:

- Credibility of the EPC
- Production of the System
- Maintenance, etc
- Credit risk of the borrower

WHAT WE OFFER:

- List of pre vetted Engineering Procurement and Construction Companies that can be introduced to your business
- Flexible funding structures with lenient terms
- No deposit required where justifiable
- Bridging Finance Solution

Secure your energy future today with Renewable Energy Financing.
