**Have you always used the branch or other banks' ATMs to do certain transactions?**

**The following tips will assist you in banking faster and cheaper at your own convenience:**

- Use Internet or cellphone banking as more cost effective ways to perform most of the transactions you do in the branch.
- Recharge prepaid airtime on Internet or cellphone banking.
- Open your Savings and Investments account using Internet Banking.
- Draw cash at a Standard Bank ATM if you are not already doing so – and remember to always use Standard Bank ATMs to avoid paying additional fees for using other bank's ATMs.

**Make an active decision to start practicing good banking behaviour:**

- Avoid administration fees by ensuring that there is always sufficient money to cover any expenses coming off your account.
- You can carefully monitor the funds in your account by obtaining your account balance as often as you need on Cellphone/Internet banking. Remember Cellphone/Internet banking balance enquiries are free.
