### HAVE YOU ALWAYS USED THE BRANCH OR OTHER BANKS' ATMS TO DO CERTAIN TRANSACTIONS?

The following tips will assist you in banking faster and cheaper—at your own convenience:

- Use Business or Enterprise Online as more cost-effective ways to perform most of the transactions.
- Make frequent use of digital platforms i.e., Point of Sale (POS), and PayPal for cash management.
- For all fleet management needs, make use of BlueFuel.
- Open your Savings and Investments account using Online Banking.
- Withdraw cash at a Standard Bank ATM if you are not already doing so—and remember to always use Standard Bank ATMs to avoid paying additional fees for using other bank's ATMs.
- When your Business trades in Foreign Currency, you can make use of our CFC US Dollar, CFC EURO or CFC Pound Sterling Accounts.

### Make an active decision to start practicing good banking behaviour:

- Avoid administration fees by ensuring that there is always sufficient money to cover any expenses coming out of your account.
- Avoid Current or Savings account inactive status, kindly transact at least once a month on account, and keep it funded.
- You can carefully monitor the funds in your account by obtaining your account balance as often as you need on cellphone/Online banking.
